

For the first time in human history, we have the power to **destroy** the planet – and to **save** it.

**Politicians must act. You can too.**

Now you have seen the Truth, it's time to make your voices and actions count.

Visit [www.icount.org.uk](http://www.icount.org.uk) or text 'i count' to **84424\*** and see how you can make a difference.

Together we can stop climate chaos.
